Come Let Us Sing **Voices United #222**

Prayer of Confession:
Lord, though you should guide us, we inform ourselves; though you should rule us, we control ourselves; though you should fulfill us, we console ourselves. We think your truth is too high, your will too hard, your power too remote, your love too free. But they are not! And without them, we are of all people most miserable. Now heal our confused minds with your word, heal our divided wills with your law, heal our troubled consciences with your love, heal our anxious hearts with your presence, all for the sake of your Son, who loved us and gave himself for us. Amen.
